## ENHANCED EXCELLENCE TARGETED ATHLETES

### WHAT IS THE CSC PACIFIC/PACIFIC SPORT ATHLETE SERVICE PROGRAM?

CSC Pacific/PacificSport Athlete Service Programs were developed to assist the Provincial Sport Organizations (PSO) and National Sport Organizations (NSO) by providing additional resources directed towards their identified performance athletes training in British Columbia

### WHO IS ELIGIBLE?

Targeted athletes are nominated by BC Wrestling based on the athlete criteria listed in the Canadian Sport Institute Pacific and BC Wrestling Association Athlete and Coach Nomination Criteria Package. Any enquiries regarding the sport-specific selection criteria can be made to Raj Viridi, [rajviridi01@gmail.com](mailto:rajviridi01@gmail.com). As a general principle, all athletes are expected to demonstrate evidence of their ongoing performance progression and tracking toward BC Wrestling high performance program benchmarks to remain targeted. Raj Viridi and the Canadian Sport Institute technical lead working with BC Wrestling have the final authority over the Canadian Sport Institute nomination process.
